b. (REPEAT) Physical binder of veterans' resources in the City of Norwalk is being finalized. There is a collection site for documentation online until a resource document can be built or published online. UPDATE: The Google Drive for the committee is the repository for much of

what has been collected to date and the shell of a physical binder was started months ago. Continuing to work on the content. **(OPEN)**

c. (REPEAT) Hometown Heroes Banner Program is complete. Shipment received on 7/1 and given to Third Taxing District on 7/2 who hung 7 of 15 banners that day and the rest on 7/6. d. Larry Cafero provided a list a few months ago of 1,800+ people in Norwalk receiving a tax credit due to their veteran status or a deceased family member who was a veteran. The list has been provided to Bryan Rooney and Matt Seebeck to explore options on how best to contact everyone. **(OPEN)**

e. Jeff DeWitt asked Reverend Artie Kassimis from the Word Alive Bible Church to head a project to have Norwalk named a "Purple Heart City." He asked for some time to consider it. There are 115 veterans that we know of that were recipients of the Purple Heart. The goal would be to honor them and to host a gathering to honor any living Purple Heart recipient and/or the family of recipients to help the healing and to share their story with each other. Project details in Attachment 1. **(OPEN)**

f. Jeff DeWitt presented a document that will be given to Deanna D'Amore at the Health Department to circulate among health care providers who don't accept Tricare insurance to help them sign up. (Attachment 3) **(OPEN)**

h. Veteran owned businesses in Norwalk is a database that would be great to have. Creating a veteran-owned business registry through the Chamber of Commerce is the recommendation. The goal would then be to create a Veterans Chamber as a subcommittee of the larger Chamber. **GUIDELINE TO ESTABLISH A PURPLE HEART TEAM, COLLEGE,
UNIVERSITY, CITY OR TOWN**

1. Establish a desire to lift those that have received a Purple Heart from the United States of America. Past Wars, Posthumously, Retired, or Currently on active duty, and Gold Star families.
2. Canvas for those that are connected to your establishment or city by advertising a “Meet and Greet”, the idea is to bring together families and friends that have a Purple Heart recipient in their family. Have them bring pictures, awards, stories about their family member. This is not only healing, but support and ownership into the decision-making.
3. Create a booklet of the pictures and stories to be printed for others to see.
4. Provide a Purple Heart Parking space.
5. Create a Proclamation and have a public meeting to read and dedicate the establishment as a “Purple Heart” Team, City, College, University or Town.
6. The Military Order of the Purple Heart, Department of Connecticut, will provide a Plaque and PH parking sign. We will also have the establishment placed on the National Purple Heart Trail.

The Military Order of the Purple Heart was established in 1932 in Derby Connecticut by three WWI Purple Heart recipients. Chapter 1 of the MOPH is still active today. In many cases those that have received the Purple Heart have never been able to tell their stories. Family members receive the PH medal in the mail and it is never presented in public. By becoming a Purple Heart establishment, you are letting the world know that you recognize the sacrifices made and that you will not allow that sacrifice to be kept quiet. The only way a person can get a Purple Heart is to be wounded in combat by an enemy of the United States.

Freedom is not free.

VETERAN ADVOCATE AWARD PROGRAM

PROGRAM

The Veteran Advocate Award (VAA) program is a method by which the Advisory Military and Veterans Liaison Committee (A-MVLC) identifies a local organization, business, or individual as being an advocate to veterans in Norwalk. The award will be presented quarterly.

PURPOSE

To identify organizations, businesses, and individuals who go above and beyond to foster a positive relationship with the veteran community through policy or service.

CRITERIA

Through partnership, good deeds, policy, etc., all organizations such as fraternal organizations, businesses who proudly put veterans at the front of their business model, or individuals who go above and beyond to help and promote veteran organizations, events, or outreach.

METHOD OF NOMINATION

In February, May, August, and November each year, the A-MVLC will bring nominations to the monthly meeting. Each nominating person will verbally present an argument in favor of their nomination. After each nomination is heard, a silent ballot will be held. The winning nomination will be forwarded to the Mayor's Office.

METHOD OF RECOGNITION

A formal presentation will be made with the Mayor present as his/her schedule allows. The presentation should take place at the location or meeting of the organization, business, or location of an individual's choosing that meets with the approval of the A-MVLC.

COST

This recognition program's cost is minimal and is solely the administrative cost to produce certificates and proclamations in the Mayor's Office. Rough estimates are \$5 per quarter or \$20 per year.
