2. SPECIAL APPROPRIATIONS AGENDA (SECTION A)

No items were brought forward.

3. TRANSFER AGENDA (SECTION B)

No transfers were brought forward.

4. OTHER BUSINESS (SECTION C)

1. RESOLUTION, A special capital appropriation in the amount of \$509,000 to proceed with Phase II of the City Hall Roof Replacement project.

Mr. Barron stated that the city's Public Works department is requesting a special capital appropriation in the amount of \$509,000 to proceed with phase II of the City Hall Roof Replacement project. This request, along with \$406,000 of available funds from existing authorizations will pay for the estimated \$915,000 project cost.

Mr. Barron stated that an RFP was issued for the project and the city received a low bid of \$830,421. The bid, plus a 10% contingency totals \$915,000. Mr. Barron stated that the \$406,000 of available funds are made up of \$286,000 remaining from Phase I and \$120,000 in a current year appropriation for Phase II.

Mr. Barron stated that the Public Works Department recently closed five projects resulting in \$581,000 being returned to the Capital Fund. These project closures and return of funds were anticipated when the current year's bonding authorization for Phase II was requested.

Mr. Barron recommended approval of the Special Capital Appropriation request of \$509,000 for Phase II of the City Hall Roof Replacement Project.

Mr. Alan Lo stated that Phase I of the roofing project was completed in the spring of 2017. The project included the replacement of about half of the roofing areas and the replacement of the copper dome over the atrium. Mr. Lo stated that we are proceeding with the installation of the proposed solar panels. He stated that the only remaining roof component that is currently under assessment and not included in Phase II is the original copula over the Concert Hall.

**** MS. YANG-DWYER MOVED TO APPROVE THE SPECIAL CAPITAL APPROPRIATION REQUEST OF \$509,000 FOR PHASE II OF THE CITY HALL ROOF REPLACEMENT PROJECT.**
**** THE MOTION PASSED UNANIMOUSLY.**

2. DISCUSSION OF OAK HILLS PARK AUTHORITY FYE 2018 BUDGET.

Mr. Jerry Crowley, Mr. Mark Gartner, and Mr. William Waters came forward on behalf of Oak Hills Park Authority. Mr. Gartner stated that he revenue rounds decreased in 2017. The decrease was due in part, to construction being done on the course. Nine holes were shut down for part of the year. Poor weather in March and April also led to a decrease in rounds.

Mr. Crowley stated that he anticipates an increase in rounds and revenue due to the improved course and an increase in advertising. Dynamic pricing, particularly on weekdays, is helping to sell tee times that otherwise would have gone unsold. Some construction work still needs to be done on cart paths. The work should take about ten days to complete.

Mr. Barron stated that OHPA paid a partial amount of the annual bond payment due in September in the amount of \$52,465.92, which was only the interest, leaving the principal as a remaining balance of \$79,000.08. He stated that OHPA is expecting to pay the balance due by the end of the fiscal year.

Mr. Barron referred to a letter submitted by Pat Williams of the OHPA. She stated that she has confidence in the management team and their efforts to promote the course and increase rounds. Mr. Barron stated he believes that, OHPA will make the full payment before the end of the fiscal year. Ms. Yang-Dwyer stated that expenses continue to be higher than revenues. She stated that revenue projections have not been met in years past and perhaps a penalty for not making debt payments should be put in place. Mr. Barron stated he did not think that was necessary. Mayor Rilling and

Chairman Burnett agreed with Mr. Barron. Chairman Burnett stated that the Ms. Yang-Dwyer would be given an opportunity at the next meeting to bring a penalty forward as an Agenda Item.

DISCUSSION OF THE IMPACT OF THE STATE BUDGET AND THE CURRENT EXECUTIVE ORDER.

Mr. Barron stated that under the Governor's Executive Order, we will lose \$5.7 million in funding. We will not remain whole. He stated we will have to use 11% of our Fund Balance to make up for the shortfall. We will not lose our AAA bond rating.

Mr. Barron stated that to get an accurate assessment of the Executive Order, it needs to be looked at in the whole. Looking at parts of it and drawing conclusions from that is not an effective way of looking at it. He stated that proposed Statutory Grant amounts have changed significantly from one budget proposal to the next. They have to be looked at together to best understand the impact in the City.

Ms. Yang-Dwyer stated that expenses need to be looked at closely and not rely solely on taking from our fund balance. Mayor Rilling stated that he regularly meets with Mr. Barron to review expenses and capital projects. He stated that most vacancies have remained open and there is a freeze on capital spending.

Chairman Burnett stated that once the budget is passed, we will continue this discussion with some real numbers in front of us.

RE: Special Capital Appropriation - Perry Avenue Bridge

Attached is a request from the Department of Public Works for a Special Capital Appropriation in the amount of \$93,000 to pay for unforeseen change orders due to among other things the proximity of the roadway and limited road area next to the railroad. The total change orders so far, already approved by the state, amount to \$687,100. The state will pay \$549,680 (80%) and the city will be responsible for \$137,420 (20%). With the change orders, the revised total estimated project cost is \$4,109,269.

Of the \$137,420 city share of the change orders, \$40,000 has already been appropriated for project contingencies, leaving a shortfall of \$97,420. The Department of Public Works recently closed out two projects returning \$93,000 to the Capital Fund balance.

The Finance Department recommends approval of the Special Capital Appropriation request of \$93,000 for the Perry Avenue Bridge Project. The funds will be drawn from the Capital Fund balance and will not need an associated bond authorization.

ACTION REQUESTED:

1. RESOLUTION: Approve a Special Capital Appropriation in the amount of \$93,000 to increase the available funds for Perry Avenue Bridge Project (0918 4021 5777 C0392). The funds will be drawn from the Capital Fund balance.

SUBJECT: Special Capital Appropriation

Local Bridge Project (#102-319), Rehabilitation of Perry Avenue Bridge over Norwalk River is currently under construction and scheduled to be completed by April 2018. This project's construction is 80% State funds and 20% City funds. Because of several reasons including the proximity of the roadway and the limited work area next to the railroad, unforeseen conditions occurred generating change orders time delays.

The extra work and time delays were approved by the State and the City will receive 80% reimbursement for these overages. The Department of Public Work's capital budget requests for this project did not include the additional costs and the City will needs to cover its 20% local share and non-participating items (Construction Cost Summary attached).

The Department of Public Works has identified the closeout of the following capital budget accounts to cover a portion of the Perry Avenue Bridge project additional costs:

09-12-040-40210-577-C0479 - Rowayton Avenue Road	\$42,722.57
09-13-040-40210-577-C0479 - Rowayton Avenue Road	<u>\$49,855.00</u>
Total:	\$92,577.57

The Department of Public Works is using all available fund balances in capital accounts for the Perry Avenue Bridge over Norwalk River project (C0392). Based on discussions with the Finance Department, the Department has requested closing out the above projects (C0479). The balances of these accounts will be added to the Capital Fund Balance; therefore, no new bonding would be required to add \$92,577.57 to Capital Account No. 09-18-4021-5777-C0392.

Please contact me if you have any questions or needed additional information. Thank you.

September 2017 Financial Commentary

Balance Sheet

Cash is lower than the prior year by \$47k, Accounts Payable is lower by \$17k, and unpaid Bond principal sits at \$79k vs \$0 last year. This leaves us at a net deficit position of \$109k compared to the prior year. However, our net cash position has improved over the prior month by \$43k so we are continuing to slowly build our cash base.

We have billed Oak Hills Restaurant on the Green for late / non-openings penalties during times they were required to be open per our lease terms. \$2,500 was billed in September for July thru August and this amount was recorded as deferred revenue on our Balance Sheet.

September Month vs Prior Year Month

Golf Revenue is higher than the prior year month by \$15k driven mainly by green fees. Our revenue rounds were down by nearly 120.

Personnel and employee benefits expenses are nearly \$4k higher than prior year month expenses.

Administrative expenses are in line with prior year month.

Park Maintenance is \$12k higher primarily due to Ag&Chem and Water expenses. However, this is more of a timing issue as we lower in both categories on a year-to-date basis.

Cart Expenses are only higher by \$2k since the \$6.5k higher lease was offset by \$4k less in electricity and maintenance costs for the month.

Operating Income is \$2k lower than the prior year month attributable to favorable revenue of \$16k offset by unfavorable expenses of \$18k.

September YTD vs Prior YTD

Total Revenue is higher by \$28k year over year for the three month period. We should continue to see this increase as we head into Oct – Dec due to last year's construction half-closure.

Personnel and employee benefits expenses are higher by \$20k over the prior year. Management salaries increased \$1k, Operations salaries increased \$7k, and Course salaries increased \$8k.

Administrative expenses are \$6k higher than the prior year driven by advertising, insurance and utility expenses.

Park Maintenance is lower by \$20k compared to the prior ytd primarily due to \$11k lower water expense and \$6k lower Ag& Chem.

Cart expenses are higher by \$12k due to the current lease payments for the new carts and GolfBoards offset by lower maintenance needed.

Operating Income is higher than the prior year by \$10k due to a mix of higher revenue and lower expenses. Favorable revenue of \$28k, unfavorable expenses of \$18k.

Budget Comparison YTD

The YTD Revenue is above budget by \$5k driven by an overage in green fees of \$13k offset by an underage in outings and cart/board rentals of \$8k.

Personnel and employee benefits expenses are higher than budget by \$12k primarily due to higher Operations personnel.

Administrative expenses are \$2k under budget.

Park Maintenance is under budget by \$16k mainly due to lower water of \$12k and lower maintenance of \$7k, offset by higher Ag&Chem of \$2k.

Cart Expenses are nearly flat compared to budget.

Operating Income is \$11k higher than the budget for the three month period. Favorable revenue of \$5k and favorable expenses of \$6k.

Re: Narrative for August, 2017 Tax Collector's Reports (2 quantity)

This report will cover two separate spreadsheets prepared by our department to cover taxes collected as follows: First, during the first two months of the new fiscal year; and then, to recapitulate and conclude examination of our 'sixty day' collection update for the immediately concluded fiscal year that ended on June 30, 2017.

Current year: As of August 31, 2017, two months into the current fiscal year, we collected nearly \$160 million, or **51.87%** of our \$308+ million adjusted tax levy. In addition, as of the end of August, 2017, we collected in excess of \$7.8 million of our sewer use levy, or **50.22%**. We also collected 72.34% of the year's IPP (Industrial Pretreatment Program) fee on behalf of the Water Pollution Control Authority. Compared with the prior fiscal year, we are slightly ahead with regard to both current taxes (.21%) and current sewer use (.14%) collections. Also, through the month of August, 2017, we showed a net collection of more than \$1.1 million in back taxes, interest, lien fees and other fees. This amount is significantly less than we collected last fiscal year at this time, as no tax sale was held this summer. Please also note in all cases where we are reporting collections, these figures are net of refunds and credits that had to be given due to court cases where taxpayers successfully appealed their assessment and were due money back.

Prior year: As part of the end of year wrap-up, our external auditors and Finance Department officials calculate for accounting purposes our tax collections on the immediately prior grand list for the sixty days (through the end of August, 2017) following the end of the fiscal year (June 30, 2017.) Those figures show that through August 31, 2017, we collected **99.16%** of our current tax levy on the 2015 grand list; **98.97%** of our adjusted sewer levy, and **90.77%** of the IPP levy. Those percentages are not as high as our sixty day figures from the prior year, which saw higher collection percentages due to the tax sale that was held in July 2016. Nonetheless, achieving a 99.16% collection rate within 14 months of the initial billing, on a nearly \$304 million levy, that also is net of refunds and credits, exceeded our budgeted collection goals for fiscal year ending June 2017, and is a noteworthy achievement.

Delinquent notices, called 'demand notices,' were sent to Norwalk taxpayers owing past due taxes at the end of August 2017 and showed interest and charges due through the end of September 2017. Response to the demand notices has once again raised the issue of problems in mail delivery in Norwalk. Some taxpayers are informing us that they did not receive an 'original' tax bill in June 2017, but nonetheless did receive a demand notice in September. Other taxpayers claim to have mailed their tax payments to us over the summer, but upon inspection of their own records will find that their checks never cleared. Based upon this, we are forced to conclude that our office never received some tax payments that were mailed to us.

Delayed mail delivery, and an increasing number of reported cases of what appear to be lost mail, are issues, as some of our bills to the taxpayers, as well as some payments directed to us, are apparently not reaching their intended destinations.

In spite of this, under state law, we do not have the discretion to 'waive' interest charges. State law clearly places upon the taxpayer the burden of paying taxes on time, regardless of whether or not a bill is received, and requires our office to charge interest on all payments received after the payment deadline has passed. We are committed to doing all we can to publicize our collection activity and to let people know when taxes are due in case they don't receive a bill in the mail.

We are also trying to increase our 'satellite' collection program at local bank branches to give taxpayers another option to pay in person near where they work or live, thus negating the necessity to make a trip to City Hall, and eliminating the potential uncertainty involved with mailing payments to us. We presently have 11 bank branches involved and hope to get several more involved in the coming months.

We have all of our tax information available on line, so anybody can look up what is due regardless of whether or not they receive a bill in the mail. We also offer other payment options, including the option of paying by ACH payment (also referred to as an 'E Check') for a modest fee of \$1.50, less than what is charged in most cases for credit or debit card processing. We are responding to questions about lost mail on a case by case basis. We continue to assure all taxpayers that we expend significant resources and effort in trying to get their tax bills to them in a timely manner. We take taxpayers' concerns about these exceptional situations very seriously, and will continue to monitor the situation and recommend changes and enhancements wherever we can.

In the coming months, we will work on collection enforcement, focusing especially on business personal property collections and on a mandatory payroll garnishment for city and Board of Education employees who owe back taxes. We will continue to issue alias tax warrants to the state marshals to enlist their help with collecting past due business personal property taxes and some sewer assessment charges. We have collected in excess of \$2.6 million in past due business personal property taxes through the direct involvement of the state marshals and our delinquent tax collector since this program's inception in 2008. With an alias tax warrant, the marshal goes door to door to serve the warrants and collect payments, sometimes accompanied by a member of our senior staff. State marshals and our staff also have the authority to execute a tax warrant at banking institutions and to seize funds on deposit in bank accounts.

We have also begun work on the July 2018 tax sale. An initial set of letters will be sent within the next several months to those properties that already fall within the criteria we plan to use. We hope this will serve as advance notice to taxpayers whose properties are being affected. By law, we are required to give taxpayers three months' notice; we will be giving them in some cases nine or ten months' notice.

Maintaining a high current collection rate, and enforcing collection of back taxes allow our budget making authority to set a lower mill rate, because there can be less of an 'allowance' for anticipated uncollectibles in the coming fiscal year. When taxpayers fail to pay on time, the city is nonetheless committed to spending to bring to fruition all of the programs planned for that fiscal year. Because they recognize that not everybody will pay on time, they make the mill rate slightly higher, to allow for 'uncollected taxes' in that year. However, if we keep the current tax collection rate as high as possible, that 'uncollectible' amount can be less. As a result, people will not have to pay more than their 'fair share,' because a lower mill rate can be set. This is tax relief for every single taxpayer, and arguably the best form of tax relief, because it affects everybody.

We will continue to keep all stakeholders informed of our progress.
