MEMORANDUM

DATE: August 26, 2019

TO: Harry Rilling, Mayor
The Members of the Board of Estimate & Taxation

FROM: Henry Dachowitz, Chief Financial Officer HD

RE: Registrar of Voters Special Appropriation

Attached is a request from the Registrar of Voters for a special appropriation in the amount of $6,900. The State of Connecticut has revised its computer security requirements for computers using the Connecticut State Voter Registration System (CVRS). The City of Norwalk Registrar's office uses CVRS for voter registration in their offices and on laptops in the Community room for Election Day Registration (EDR). The new security protocols require a Windows 10 operating system running on at least an i7 microprocessor. The Information Technology department has already upgraded the Registrar's office computers. This request is for the purchase of six laptops that meet the State Voter Registration System security requirements to outfit the City's EDR services. These systems will complete the upgrade of all computers accessing the CVRS from the City of Norwalk.

The Information Technology department has recommended the Dell Inspiron 17 7000 2 in 1 laptop computer with a list price of $1,150. The total purchase price for six of these systems is $6,900.

This appropriation will be funded with a transfer from Contingency account number 01-9600-5900 to account number 01-1210-5741, IT Hardware.

Finance recommends the approval of this request.

ACTION REQUESTED:

1. RESOLUTION: Approve special appropriations in the amount of $6,900 to Registrar of Voters account 01-1210-5741, IT HARDWARE, with a transfer from Contingency account 01-9600-5900.

RE: Registrar of Voters Special Appropriation

I recommend the approval of the attached request from the Registrar of Voters department for a special appropriation in the amount of $6,900. These funds will allow the department to satisfy new security protocols required by the Connecticut State Voter Registration System (CVRS). The department has previously upgraded its office computers to meet the new requirements. This special appropriation will fund the purchase of six new laptop computers to upgrade the Election Day Registration (EDR) services provided in the Community room on Election Day.

The Finance Department and the Registrar have provided additional information regarding funding for this appropriation in the attached documents.

ACTION REQUESTED:

1. RESOLUTION: Approve special appropriations in the amount of $6,900 to Registrar of Voters account 01-1210-5741, IT HARDWARE, with a transfer from Contingency account 01-9600-5900.

Subject: Registrar of Voters Appropriation Request

The State of Connecticut is upgrading the security requirements on all computers using the Connecticut State Voter Registration System (CVRS) We use CVRS for all voter registration, mainly from computers in our office, but also from laptop computers for Election Day Registration (EDR) which is managed out of the community room. The new requirements include two factor authentication and a virtual desktop. I could tell you more about it but 1) I have never seen this in operation, and 2) Homeland Security might have rules against it. Anyway, the updated security must run in a Windows 10 environment. IT has replaced our computers with new Windows 10 computers as part of our move to room 103. However, this means that the laptops for EDR must be replaced as well. We obtained specs from the state and forwarded them to IT. The state wants the laptops to have i7 processors, which are a little more expensive than the i5 processors currently being used for laptop replacement.

We need six laptops and IT recommends Dell Inspiron 17 7000 2 in 1, which with the state required features lists at $1,149.99 each (For a total of $6,900). The city can probably get them for a little less as we do a lot of business with Dell, but I think you can advertise them at this price for the BET meeting and then if IT can get a quote for less in time for the meeting the BET can appropriate the money based on that lower price. The URL link I have for this is: https://www.dell.com/en-us/work/shop/dell-laptops-and-notebooks/inspiron-17-7000-2-in-1/spd/inspiron-17-7786-2-in-1-laptop/CAI1772N1W10PC26103 which was given to me by Sylwia from IT. I have a printout available as well.

Sincerely,
Stuart W. Wells III

Hi Angela,

We recorded the seized performance bond in the revenue account 013740-4462 and conservation department will need that to increase the expense line item to pay for the work.

Thank you,

July 2019 Financial Commentary

Balance Sheet
Cash is lower than the prior year by $11k, Accounts Receivable is lower by $15k, and Accounts Payable and accrued expenses are higher by $13k, offset by $20k lower bank loan. This leaves us at a net deficit cash position of $19k.

July Month vs Prior Year Month
Golf Revenue is lower than the prior year month by $7k driven by green fees. Other revenue is up by $4k due to restaurant rent.

Personnel and employee benefits expenses are flat.

Administrative expenses are up by $7k driven by $3k higher utilities exp since we allocated a portion to our F&B operator last year in lieu of rent, $2k increase in liability insurance premiums, and $1k in advertising (News12).

Sales & Operations is $4k lower than prior year month due to heavy repairs and maintenance on the Clubhouse / restaurant equipment after our initial move-in last year.

Park Maintenance is $13k higher than prior year month mainly due to $18k more in Ag&Chem this year (timing on usage of chemicals), offset by $3k less in Water and $3k less in building and irrigation maintenance.

Cart Expenses are $2k lower than prior year month due to shipping costs to return half of our GolfBoard fleet (4 units) last year.

Operating Income is $16k lower than the prior year month attributable to unfavorable revenue of $3k and unfavorable expenses of $13k.

Re: Narrative for July, 2019 Tax Collector's Reports

As of the end of July 2019, one month into our new fiscal year, we had collected more than $146 million, or **44.29%** of our $330 million adjusted tax levy. In addition, as of the end of July, 2019, we collected more than $7 million of our sewer use levy, or **43.07%.** We also collected 56.89% of the year's IPP (Industrial Pretreatment Program) fee on behalf of the Water Pollution Control Authority. Compared with the prior fiscal year, we are slightly ahead with regard to current taxes (.65%) and very slightly behind with sewer use (-0.03%).

With regard to tax collections on our immediately prior grand list through the month of July 2019, we achieved a collection rate of **98.95%,** as shown on the second spreadsheet for the month of July 2019.

It should be noted that we did meet our budgeted collection goals, and I believe our 98.95% collection rate on current taxes will again prove to be the highest current collection rate among Connecticut's six largest cities.

Our new fiscal year began on July 1 but we were already collecting taxes on the new grand list "in advance," during the month of June. The new bills were 'due' July 1, 2019, and were payable without interest by August 1, 2019. Those bills were mailed on June 19. The early mailing spreads the collection period out over about six weeks. The collection period went well and there were no major issues. We will not be able to fully assess our collection until the end of August 2019 as we are now still posting payments that were timely received prior to August 1. That posting process will continue through the middle of next week.

We will then proceed to issuance of delinquent notices, called 'demand for payment' notices, toward the end of this month. The term, 'demand' is prescribed by state law and is not intended to imply rudeness. We are required to 'demand' payment prior to pursuing any form of collection enforcement. Demands are usually sent at the end of August and are payable during the month of September.

Maintaining a high current collection rate by efficiently enforcing collection of past due taxes allows budget making authorities to set lower mill rates, because there can be less of an 'allowance' for anticipated uncollectibles in the coming fiscal year. When taxpayers fail to pay on time, the city is nonetheless committed to spending to bring to fruition all of the programs planned for that fiscal year. Because not everybody will pay on time, mill rates are set slightly higher, to allow for 'uncollected taxes'. However, if we keep the current tax collection rate high, that 'uncollectible' amount can be less. This is tax relief for every taxpayer, and arguably the best form of tax relief, because it affects everybody. This is the primary driver for aggressive collection enforcement.

Following the issuing of demand notices we will begin working on the tax sale that will be held in the summer of 2020.
